PUZZLE UP - What is Puzzle Up? It's a unique puzzle that combines the structure of building blocks with the challenge of a puzzle. The blocks are built vertically or horizontally to create a wide variety of different pictures. They are bright, colourful and fun, serving to engage imaginations. Puzzle Up comes in several sizes: Mini, Small, Medium and Large; offered in a wide variety of different images. At Game Movil we have continuously strived for over 40 years to provide an educational aspect to play-time. In our experience, our consumers love construction toys, especially building blocks. Puzzle Up is a new take on a well-loved toy, the building block.
