MOBeduc

We are a company with more than 20 years of experience in the sector, with presence in the whole national territory through a wide commercial network that attends to all the clients with the maximum professionalism.

Our general target audience are the children's and school environment of all ages, being specialized in the sector of Infant Education (0 to 6 years) where the demands of quality and safety are exhaustive.

QUALITY AND SECURITY | **ENVIRONMENTAL COMMITMENT** | **PERSONAL ATTENTION** | **WARRANTY AFTER SALE** | **DELIVERY SERVICE**

TECNALIA QUALITY

- Certification of furniture with **TECNALIA** quality seal.

SECURITY

- Interior doors ANTI-FINGER TRAP in its closure.
- The central windows of the doors and drawers are made of methacrylate.
- The mirrors are unbreakable and are made of polystyrene.
- Rounded edges, to prevent blows with sharp edges.

MATERIALS

- All the furniture is made of laminated chipboard of 19 mm of thickness for the frame, of 16 and 19 mm for doors and 10 mm for the back.
- Rounded edges of 2mm PVC, finished on both sides.
- Some of the pieces of our furniture are manufactured in MDF laminated board of high pressure (HPL) of 16 mm of thickness, with rounded edges and finished in non-toxic varnish.
- REMOVABLE. The assemblies of these pieces of wood are made by means of approaching sleeves system.

TECHNICAL SOLUTIONS

HANGERS TYPES

- Hangers made of polypropylene, with rounded edges.
- Double hanger system.

Red Blue Yellow Green

PERSONALIZATION WITH IMAGINE & PRINT

IMAGINE & PRINT

MOBeduc

What is it?

Imagine & Print is our new high resolution digital printing system.

Where you can print?

We offer the possibility of printing directly on the furniture, all the doors of our standard furniture can be customized to the maximum thanks to Imagine & Print.
In addition some furniture offer the possibility of printing the drawers, sides and fronts.

But wood is not the only support can be printed, we can also print on others materials such as methacrylate, cardboard, foamed cardboard, composite, aluminum, adhesives, vinyl, textiles, polypropylene, foamed PVC, etc ...

How do you order?

You just have to do your order and tell us what you want to print and where.

What can be printed?

You can choose between a bank of images of your own design or send us your own designs and photographs.

Quality

High quality digital printing for high resolution images. In order to maintain quality standards on the work carried out, we offer graphic and technical assistance, own designs and customized solutions.
In addition, we have worked hard to achieve a high quality surface finish, such as the special MOBeduc finish.

CUSTOMIZED FURNITURE

Would you like to adapt your furniture to your space and your needs?
MOBeduc makes it possible. Your furniture, to the millimeter.

1 

DESIGN

We will help you design the furniture to suit your needs.
We can adapt our designs or make a design of your idea. Our team will advise you personally to create the furniture you want.

2 

FINISHINGS

We have a wide selection of finishes, choose the materials and finishes that best suit your needs.
Take measurements to your space and decide the dimensions of each piece of furniture.

3 

ESTIMATE

After receiving all the necessary information, our commercial network will make a personalized quote without commitment.
You can select the changes you need and an order confirmation will be necessary.

4 

MANUFACTURE

Once the furniture has been designed, the finishes have been selected and confirmed the order by our commercial network, we will proceed to manufacture them.

5 

SHIPMENT

Our furniture is shipped disassembled, and with them you will be provided with an instruction sheet with which you can easily assemble them, but if you prefer, you can request them assembled to simplify the work for the client.

6 

GUARANTEE

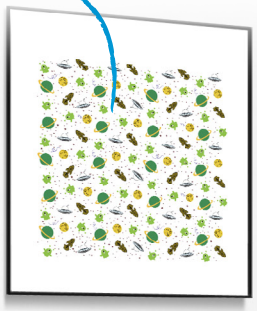

All our furniture has 5 years guaranteed, with quality and safety endorsed with certifications.
Our after-sales warranty will assure a quick solution to any problems during shipment.

MOBeduc
